Message from Honourable Alison M. Redford, QC Premier of Alberta

On behalf of the Government of Alberta, it is my pleasure to welcome all attendees to the 2012 Consumer Choice Award Gala in the city of Calgary.

Every day, consumers are faced with an overwhelming amount of choice. The Consumer Choice Award gives credibility to deserving products, services and companies and makes it easier for members of the public to decide where to invest their hard-earned dollars.

Since 1987, the Consumer Choice Award has been the only organization in Canada that determines the best service providers by conducting independent market research. This cross-continent seal of quality is a valuable source of recognition for business excellence. In the competitive world of business, this award night honours the companies that have earned the trust and loyalty of consumers in their community.

I would like to express my sincere congratulations to award finalists Bill Brooks, Michale Lang, Dr. Greg Powell and Kim Sturgess. Your keen business sense, knack for innovation and leadership skills are an inspiration to our community. Together, you are helping to cement Calgary's place as a centre for business and entrepreneurship.

Best wishes for an enjoyable evening!

Alison M. Redford, QC

A MESSAGE FROM MAYOR NENSHI

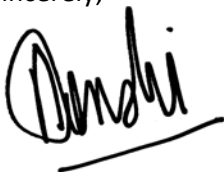

On behalf of my City Council colleagues and the citizens of Calgary, I am pleased to congratulate all of the winners of the Consumer Choice Award Calgary.

Each year, Calgarians are asked to give their opinions regarding services they use every day. It can be hard to determine which businesses come out on top from among the thousands of vibrant and thriving businesses in our community, but that is where the Consumer Choice Awards come in. Because there are so many worthy contenders in our city, this award is an accomplishment of which the recipients should be very proud.

Tonight, the Consumer Choice Award Calgary is also honouring four Calgarians who have made a significant impact on our city. Bill Brooks, Michale Lang, Dr. Greg Powell, and Kim Sturgess have each used their unique talents and expertise toward the betterment of our community, and I am glad to see them being acknowledged and celebrated in this way.

I want to thank all of the winners for the role they play in making Calgary one of the best places in the world to live and work. We are very happy to have you as part of our community.

Sincerely,

Naheed K. Nenshi
